2. WELLBEING AND ENERGY AT EVENTS

To look after the health and wellbeing of your guests, whether you're embracing UN Sustainable Development Goal (SDG) 3 or want to incorporate a sporting or wellbeing activity into your event, Sitges has lots to offer.

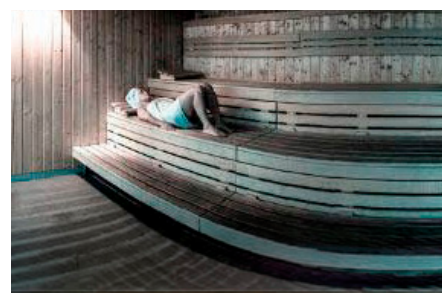

Nestled between the Mediterranean and the Parc del Garraf, the destination offers an unbeatable setting for experiences that invite you to get moving, enjoy the fresh air and unwind. Sea, nature and a wide range of sports facilities make a compelling case for having your event in a location that seeks to add value.

That's why Nike, Le Coq Sportif, Brooks Running, Tecnogym, Ortlieb and Salomon have chosen Sitges for their product presentations, and why the town also draws events such as the Spanish Cardiology Society's Annual Cardiology Association Meeting and the 17th ICRS World Congress, which have made sport part of their respective programmes at the destination.
