4. SITGES, A LEADING DESTINATION FOR AUTOMOTIVE AND MOBILITY SECTOR EVENTS

Sitges is Catalonia's second-most popular destination for meeting tourism, a segment that accounts for 40% of overnight stays at hotels with meeting rooms, according to data from the Sitges Hospitality Guild.

Brands such as Volvo, Toyota, Audi, Citroën and MINI have chosen Sitges to present new products, film promotional videos and connect with the media and guests in a setting that brings together scenery, infrastructure and efficient logistics. **And it's no wonder: in Sitges, products are contextualised, tested and remembered.**

The destination's connection with the automotive sector runs deep. From **the historic Barcelona-Sitges International Vintage Car Rally**, held for the first time in 1959, to milestones such as the presentation of the SEAT 124 DLS in 1973, cars are part of the town's heart and soul.
